

## 2018-2019 Recipients

### Give Kids A Smile (GKAS) Continuity of Care Grantees

The ADA Foundation GKAS Continuity of Care Grants assist GKAS programs that offer continuity of dental care to underserved children after their initial GKAS visit, because a major goal of any GKAS program is to establish a process by which a child can get continued care over several years.

Organization Name	City	State	Project Title	Amount Awarded
<a href="#">KinderSmile Foundation</a>	Bloomfield	New Jersey	KinderSmile Community Oral Health Center	\$15,000
<a href="#">Oklahoma City Indian Clinic</a>	Oklahoma City	Oklahoma	Providing a Continuity of Care for Disadvantaged American Indian Children	\$15,000
<a href="#">Waikiki Health</a>	Honolulu	Hawaii	Providing a Dental Home for Children First Seen at GKAS Hawaii	\$20,000

**Congratulations to the 2018-2019 GKAS Continuity of Care Grant recipients!**
