

One vision. Half a million smiles.

Beginning **February 1, 2019**, thousands of dentists across the country will take time from their practices to help underserved children get the oral health care they need.

Give Kids A Smile® is an annual volunteer program that provides free educational, preventive and restorative services to children from low-income families.

Last year, we worked together to provide care to more than 300,000 kids. Let's make it half a million this year.
